REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear PTO Representative:

On February 22, 2005 the above reference Patent was issued. One of the inventor's names was spelled incorrectly. This was a mistake of a clerical or typographical nature. This correction does not involve changes in the patent that would constitute new matter or would require reexamination. Attached please find declarations and statements over the signature of the inventors. Please note one of the inventors, David Dillard, is seriously ill, and is currently unavailable. The United States Government, as represented by the Secretary of the Navy (the assignee), respectfully requests that this change be made. Attached please find a 37 CFR 3.73(b) statement. Please issue a Certificate of Correction as soon as possible.

Thank you.
